ninjasofpaintball: Barrett, I honestly have no idea on how I am supposed to be helping Project PM at this point of time. I have time on my hands, and would rather spend it researching then sitting on my ass and watching youtube. Please SHOVE me in the correct direction in this point of time.
me: read through echelon2.org
me: download an irc client
me: go to irc.project-pm.org server
ninjasofpaintball: I am currently on the ICR client daily.
ninjasofpaintball: IRC
ninjasofpaintball: Thanks Barrett.
